<p>Using Creative Commons Public Licenses</p> <p>Creative Commons public licenses provide a standard set of terms and conditions that creators and other rights holders may use to share original works of authorship and other material subject to copyright and certain other rights specified in the public license below. The following considerations are for informational purposes only, are not exhaustive, and do not form part of our licenses.</p>	<p>License, PublicSectorInformation, ConditionsOfPSIRReuse, Copyright, SuiGenerisRight, schema:CreativeWork, RightholderOfCopyrights, RightholderOfSGR, Author, RightholderOfCopyrights, PersonWhoHoldsCopyrights, PermissionOnDerivativeWork, PermissionOnOriginalWork RightToAuthorise</p>	<p>l4lod:License</p>	<p>co:DistributionContract, co:Copyright, schema:CreativeWork, schema:ShareAction, co:Work</p>	<p>ccREL:License, ccREL:Work</p>

Considerations for licensors: Our public licenses are intended for use by those authorized to give the public permission to use material in ways otherwise restricted by copyright and certain other rights. Our licenses are irrevocable. Licensors should read and understand the terms and conditions of the license they choose before applying it. Licensors should also secure all rights necessary before applying our licenses so that the public can reuse the material as expected. Licensors should clearly mark any material not subject to the license. This includes other CC-licensed material, or material used under an exception or limitation to copyright. <p>Considerations for the public: By using one of our public <b>licenses</b>, a licensor <b>grants</b> the public permission to use the <b>licensed material</b> under <b>specified terms and conditions</b>. If the licensor's permission is not necessary for any reason—for example, because of any applicable <b>exception or limitation</b> to <b>copyright</b>—then that use is not regulated by the license. Our licenses grant only permissions under copyright and certain other rights that a licensor has authority to grant. Use of the licensed material may still be restricted for other reasons, including because others have copyright or other rights in the material. A licensor may make special requests, such as asking that all changes be marked or described. Although not required by our licenses, you are encouraged to respect those requests where reasonable.</p>	<p>License, schema:CreativeWork, Database, Copyright, ExceptionOfCopyright, SuiGenerisRight, ExceptionOfSGR, OtherTraditionalExceptions, LawfulUser, LawfulAccess, PrivateReproduction, EducationalPurpose, PublicInterest, co:PrivateCopyRight, co:ParodyRight, co:UserRights, co:EducationRight, co:InformationRight, co:OfficialActRight, co:QuotationRight, co:TemporaryReproductionRight, TemporaryReproduction</p>	<p>14lod:License</p>	<p>co:DistributionContract schema:CreativeWork, co:Copyright, co:Cite, co:PrivateCopyRight, co:UserRights, co:EducationRight, co:InformationRight, co:OfficialActRight, co:ParodyRight, co:QuotationRight, co:TemporaryReproductionRight</p>	<p>ccREL:License, ccREL:Work</p>

Our licenses are irrevocable. Licensors should read and understand the terms and conditions of the license they choose before applying it. Licensors should also secure all rights necessary before applying our licenses so that the public can reuse the material as expected. Licensors should clearly mark any material not subject to the license. This includes other CC-licensed material, or material used under an exception or limitation to copyright.</p>	<p>License, RightToAuthorise, Permission, PermissionOnOriginalWork, PermissionOnDerivativeWork, RestrictionOnOriginalWork, RestrictionOnDerivativeWork, RestrictionOfSGR, ExceptionOfCopyrights, ExceptionOfSGR, LimitationOfDistribution</p>	<p>l4lod:License l4lod:Permission</p>	<p>co:DistributionContract, <b>co:Copyright,</b></p>	<p>ccREL:License, ccREL:Permission</p>

<p>Considerations for the public: By using one of our public <b>licenses</b>, a licensor grants the public permission to use the licensed material under <b>specified terms and conditions</b>. If the licensor's permission is not necessary for any reason—for example, because of any applicable <b>exception or limitation</b> to <b>copyright</b>—then that use is not regulated by the license. Our licenses grant only permissions under copyright and certain other rights that a licensor has authority to grant. Use of the licensed material may still be restricted for other reasons, including because others have copyright or other rights in the material. A licensor may make special requests, such as asking that all changes be marked or described. Although not required by our licenses, you are encouraged to respect those requests where reasonable.</p>	<p>License, schema:CreativeWork, Database, Copyright, ExceptionOfCopyright, SuiGenerisRight, ExceptionOfSGR, OtherTraditionalExceptions, LawfulUser, LawfulAccess, PrivateReproduction, EducationalPurpose, PublicInterest, co:PrivateCopyRight, co:ParodyRight, co:UserRights, co:EducationRight, co:InformationRight, co:OfficialActRight, co:QuotationRight, co:TemporaryReproductionRight , TemporaryReproduction</p>	<p>l4lod:License</p>	<p>co:DistributionContract schema:CreativeWork, co:Copyright, co:Cite, co:PrivateCopyRight, co:UserRights, co:EducationRight, co:InformationRight, co:OfficialActRight, co:ParodyRight, co:QuotationRight, co:TemporaryReproductionRight</p>	<p>ccREL:License, ccREL:Work</p>

<p>Using Creative Commons Public Licenses</p> <p>Creative Commons public licenses provide a standard set of terms and conditions that creators and other rights holders may use to share original works of authorship and other material subject to copyright and certain other rights specified in the public license below. The following considerations are for informational purposes only, are not exhaustive, and do not form part of our licenses.</p>	<p>License, PublicSectorInformation, ConditionsOfPSIReuse, Copyright, SuiGenerisRight, schema:CreativeWork, Database, RightholderOfCopyrights, RightholderOfSGR, Author, RightholderOfCopyrights, PersonWhoHoldsCopyrights, PermissionOnDerivativeWork, PermissionOnOriginalWork RightToAuthorise</p>	<p>l4lod:License</p>	<p>co:DistributionContract, co:Copyright, schema:CreativeWork, schema:ShareAction, co:Work</p>	<p>ccREL:License, ccREL:Work</p>

Considerations for licensors: Our public licenses are intended for use by those authorized to give the public permission to use material in ways otherwise restricted by copyright and certain other rights. Our licenses are irrevocable. Licensors should read and understand the terms and conditions of the license they choose before applying it. Licensors should also secure all rights necessary before applying our licenses so that the public can reuse the material as expected. Licensors should clearly mark any material not subject to the license. This includes other CC-licensed material, or material used under an exception or limitation to copyright. <p>Considerations for the public: By using one of our public licenses, a licensor grants the public permission to use the licensed material under specified terms and conditions. If the licensor's permission is not necessary for any reason—for example, because of any applicable exception or limitation to copyright—then that use is not regulated by the license. Our licenses grant only permissions under copyright and certain other rights that a licensor has authority to grant. Use of the licensed material may still be restricted for other reasons, including because others have copyright or other rights in the material. A licensor may make special requests, such as asking that all changes be marked or described. Although not required by our licenses, you are encouraged to respect those requests where reasonable.</p>	<p>License, schema:CreativeWork, Database, Copyright, ExceptionOfCopyright, SuiGenerisRight, ExceptionOfSGR, OtherTraditionalExceptions, LawfulUser, LawfulAccess, PrivateReproduction, EducationalPurpose, PublicInterest, co:PrivateCopyRight, co:ParodyRight, co:UserRights, co:EducationRight, co:InformationRight, co:OfficialActRight, co:QuotationRight, co:TemporaryReproductionRight, TemporaryReproduction</p>	<p>l4lod:License</p>	<p>co:DistributionContract schema:CreativeWork, co:Copyright, co:Cite, co:PrivateCopyRight, co:UserRights, co:EducationRight, co:InformationRight, co:OfficialActRight, co:ParodyRight, co:QuotationRight, co:TemporaryReproductionRight</p>	<p>ccREL:License, ccREL:Work</p>

<p>Using Creative Commons Public Licenses</p> <p>Creative Commons public licenses provide a standard set of terms and conditions that creators and other rights holders may use to share original works of authorship and other material subject to copyright and certain other rights specified in the public license below. The following considerations are for informational purposes only, are not exhaustive, and do not form part of our licenses.</p>	<p>License, PublicSectorInformation, ConditionsOfPSIReuse, Copyright, SuiGenerisRight, schema:CreativeWork, Database, RightholderOfCopyrights, RightholderOfSGR, Author, RightholderOfCopyrights, PersonWhoHoldsCopyrights, PermissionOnDerivativeWork, PermissionOnOriginalWork RightToAuthorise</p>	<p>l4lod:License</p>	<p>co:DistributionContract, co:Copyright, schema:CreativeWork, schema:ShareAction, co:Work</p>	<p>ccREL:License, ccREL:Work</p>

<p>Considerations for licensors: Our public licenses are intended for use by those authorized to give the public permission to use material in ways otherwise restricted by copyright and certain other rights. Our licenses are irrevocable. Licensors should read and understand the terms and conditions of the license they choose before applying it. Licensors should also secure all rights necessary before applying our licenses so that the public can reuse the material as expected. Licensors should clearly mark any material not subject to the license. This includes other CC-licensed material, or material used under an exception or limitation to copyright.</p>	<p>License, RightToAuthorise, Permission, PermissionOnOriginalWork, PermissionOnDerivativeWork, RestrictionOnOriginalWork, RestrictionOnDerivativeWork, RestrictionOfSGR, ExceptionOfCopyrights, ExceptionOfSGR, LimitationOfDistribution</p>	<p>l4lod:License</p>	<p>co:DistributionContract, co:Copyright, l4lod:Permission</p>	<p>ccREL:License, ccREL:Permission</p>
---	---	----------------------	--	--

<p>Considerations for the public: By using one of our public <b>licenses</b>, a licensor grants the public permission to use the <b>licensed material</b> under <b>specified terms and conditions</b>. If the licensor's permission is not necessary for any reason—for example, because of any applicable <b>exception or limitation</b> to <b>copyright</b>—then that use is not regulated by the license. Our licenses grant only permissions under copyright and certain other rights that a licensor has authority to grant. Use of the licensed material may still be restricted for other reasons, including because others have copyright or other rights in the material. A licensor may make special requests, such as asking that all changes be marked or described. Although not required by our licenses, you are encouraged to respect those requests where reasonable.</p>	<p>License, schema:CreativeWork, Database, Copyright, ExceptionOfCopyright, SuiGenerisRight, ExceptionOfSGR, OtherTraditionalExceptions, LawfulUser, LawfulAccess, PrivateReproduction, EducationalPurpose, PublicInterest, co:PrivateCopyRight, co:ParodyRight, co:UserRights, co:EducationRight, co:InformationRight, co:OfficialActRight, co:QuotationRight, co:TemporaryReproductionRight , TemporaryReproduction</p>	<p>14lod:License</p>	<p>co:DistributionContract schema:CreativeWork, co:Copyright, co:Cite, co:PrivateCopyRight, co:UserRights, co:EducationRight, co:InformationRight, co:OfficialActRight, co:ParodyRight, co:QuotationRight, co:TemporaryReproductionRight</p>	<p>ccREL:License, ccREL:Work</p>

<p>Using Creative Commons Public Licenses</p> <p>Creative Commons public licenses provide a standard set of terms and conditions that creators and other rights holders may use to share original works of authorship and other material subject to copyright and certain other rights specified in the public license below. The following considerations are for informational purposes only, are not exhaustive, and do not form part of our licenses.</p>	<p>License, PublicSectorInformation, ConditionsOfPSIReuse, Copyright, SuiGenerisRight, schema:CreativeWork, Database, RightholderOfCopyrights, RightholderOfSGR, Author, RightholderOfCopyrights, PersonWhoHoldsCopyrights, PermissionOnDerivativeWork, PermissionOnOriginalWork RightToAuthorise</p>	<p>l4lod:License</p>	<p>co:DistributionContract, co:Copyright, schema:CreativeWork, schema:ShareAction, co:Work</p>	<p>ccREL:License, ccREL:Work</p>

Considerations for licensors: Our public licenses are intended for use by those authorized to give the public permission to use material in ways otherwise restricted by copyright and certain other rights. Our licenses are irrevocable. Licensors should read and understand the terms and conditions of the license they choose before applying it. Licensors should also secure all rights necessary before applying our licenses so that the public can reuse the material as expected. Licensors should clearly mark any material not subject to the license. This includes other CC-licensed material, or material used under an exception or limitation to copyright. <p>Considerations for the public: By using one of our public <b>licenses</b>, a licensor <b>grants</b> the public permission to use the <b>licensed material</b> under <b>specified terms and conditions</b>. If the licensor's permission is not necessary for any reason—for example, because of any applicable <b>exception or limitation to copyright</b>—then that use is not regulated by the license. Our licenses grant only permissions under copyright and certain other rights that a licensor has authority to grant. Use of the licensed material may still be restricted for other reasons, including because others have copyright or other rights in the material. A licensor may make special requests, such as asking that all changes be marked or described. Although not required by our licenses, you are encouraged to respect those requests where reasonable.</p>	<p>License, schema:CreativeWork, Database, Copyright, ExceptionOfCopyright, SuiGenerisRight, ExceptionOfSGR, OtherTraditionalExceptions, LawfulUser, LawfulAccess, PrivateReproduction, EducationalPurpose, PublicInterest, co:PrivateCopyRight, co:ParodyRight, co:UserRights, co:EducationRight, co:InformationRight, co:OfficialActRight, co:QuotationRight, co:TemporaryReproductionRight, TemporaryReproduction</p>	<p>14lod:License</p>	<p>co:DistributionContract schema:CreativeWork, co:Copyright, co:Cite, co:PrivateCopyRight, co:UserRights, co:EducationRight, co:InformationRight, co:OfficialActRight, co:ParodyRight, co:QuotationRight, co:TemporaryReproductionRight</p>	<p>ccREL:License, ccREL:Work</p>

<p>Using Creative Commons Public Licenses</p> <p>Creative Commons public licenses provide a standard set of terms and conditions that creators and other rights holders may use to share original works of authorship and other material subject to copyright and certain other rights specified in the public license below. The following considerations are for informational purposes only, are not exhaustive, and do not form part of our licenses.</p>	<p>License, PublicSectorInformation, ConditionsOfPSIReuse, Copyright, SuiGenerisRight, schema:CreativeWork, Database, RightholderOfCopyrights, RightholderOfSGR, Author, RightholderOfCopyrights, PersonWhoHoldsCopyrights, PermissionOnDerivativeWork, PermissionOnOriginalWork RightToAuthorise</p>	<p>l4lod:License</p>	<p>co:DistributionContract, co:Copyright, schema:CreativeWork, schema:ShareAction, co:Work</p>	<p>ccREL:License, ccREL:Work</p>

Considerations for licensors: Our public licenses are intended for use by those authorized to give the public permission to use material in ways otherwise restricted by copyright and certain other rights. Our licenses are irrevocable. Licensors should read and understand the terms and conditions of the license they choose before applying it. Licensors should also secure all rights necessary before applying our licenses so that the public can reuse the material as expected. Licensors should clearly mark any material not subject to the license. This includes other CC-licensed material, or material used under an exception or limitation to copyright. <p>Considerations for the public: By using one of our public licenses, a licensor grants the public permission to use the licensed material under specified terms and conditions. If the licensor's permission is not necessary for any reason—for example, because of any applicable exception or limitation to copyright—then that use is not regulated by the license. Our licenses grant only permissions under copyright and certain other rights that a licensor has authority to grant. Use of the licensed material may still be restricted for other reasons, including because others have copyright or other rights in the material. A licensor may make special requests, such as asking that all changes be marked or described. Although not required by our licenses, you are encouraged to respect those requests where reasonable.</p>	<p>License, schema:CreativeWork, Database, Copyright, ExceptionOfCopyright, SuiGenerisRight, ExceptionOfSGR, OtherTraditionalExceptions, LawfulUser, LawfulAccess, PrivateReproduction, EducationalPurpose, PublicInterest, co:PrivateCopyRight, co:ParodyRight, co:UserRights, co:EducationRight, co:InformationRight, co:OfficialActRight, co:QuotationRight, co:TemporaryReproductionRight, TemporaryReproduction</p>	<p>l4lod:License</p>	<p>co:DistributionContract schema:CreativeWork, co:Copyright, co:Cite, co:PrivateCopyRight, co:UserRights, co:EducationRight, co:InformationRight, co:OfficialActRight, co:ParodyRight, co:QuotationRight, co:TemporaryReproductionRight</p>	<p>ccREL:License, ccREL:Work</p>

<p>About the Open Government Licence</p> <p>The Controller of Her Majesty's Stationery Office (HMSO) has developed this licence as a tool to enable Information Providers in the public sector to license the use and re-use of their Information under a common open licence. The Controller invites public sector bodies owning their own copyright and database rights to permit the use of their Information under this licence.</p> <p>The Controller of HMSO has authority to license Information subject to copyright and database right owned by the Crown. The extent of the Controller's offer to license this Information under the terms of this licence is set out in the UK Government Licensing Framework.</p> <p>This is version 3.0 of the Open Government Licence. The Controller of HMSO may, from time to time, issue new versions of the Open Government Licence. <p>under a previous version of the Open Government Licence, the terms of that licence will continue to apply.</p> <p>These terms are compatible with the Creative Commons Attribution License 4.0 and the Open Data Commons Attribution License, both of which license copyright and database rights. This means that when the Information is adapted and licensed under either of those licences, you automatically satisfy the conditions of the OGL when you comply with the other licence. The OGLv3.0 is Open Definition compliant.</p> <p>Further context, best practice and guidance can be found in the UK Government Licensing Framework section on The National Archives website.</p>
